

# TYPHON-AX15 / AX15-BT

## QUICK START GUIDE

Congratulations on the purchase of your Typhon 15" active loudspeaker. We take great pride in engineering and building every Wharfedale Pro product and wish to thank you for entrusting us with your audio.

From the time Gilbert Briggs built his first loudspeaker in 1932, to the present day, we have maintained the same standard of quality in components, workmanship and performance.

Please take the time to read this guide completely in order to get the most from your new loudspeaker.

Your full user manual can also be downloaded from [www.wharfedalepro.com](http://www.wharfedalepro.com)

- 13 - XLR line level output
- 14 - Power cord input

## BLUETOOTH OPERATION

Bluetooth operation (Typhon-AX15-BT only) :

a. MONO Mode:

Press and release the PAIR button on one speaker only. Select "Wharfedale Pro BT" on your device. The BT LED will change to solid when paired. To disconnect, press and release the PAIR button.

b. STEREO Link Mode:

Press and hold the PAIR button on each speaker until the ST LED is blinking. The ST LED will change to solid when Linked. Press and release the PAIR button on one speaker. Then select "Wharfedale PRO BT" on your device. The BT LED will change to solid when paired. The selected speaker will be the left channel. To disconnect, press and hold the PAIR button for 5 Seconds.

Transmission distance note : A single speaker working range is about 15 meters (Bluetooth device (eg Phone) to single speaker). When using a Bluetooth Typhon in stereo link mode the working range is about 10m (Bluetooth device (eg Phone) to speaker). In this mode the linked speakers can be up to 8m apart.

## IMPORTANT SAFETY INSTRUCTIONS

Before installing or using this product read all these instructions!

Keep these instructions. Heed any warnings. Follow all instructions.

Before making any connections, switch all the devices in your system off at the mains.

Set the volume control at minimum when you switch on your system or change sources and turn the level up gradually.

Ensure that all devices in the system are correctly wired.

DO NOT use this product at full volume.

DO NOT subject your loudspeakers to excessive cold, heat, humidity, or sunlight.

DO NOT place heavy objects on top of loudspeakers.

DO NOT dismantle the loudspeaker. There are no user serviceable parts inside, and you will void the warranty by doing so.

Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped. Caution: Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate this device.

### WHARFEDALE PRO LIMITED WARRANTY
