PRODUCT INFORMATION

GLE 90 AR S2

The GLE 90 AR S2 combines outstanding sound quality with state-of-the-art 3D sound reproduction. Based on the proven 3-way concept of the GLE 90 S2, they feature a full-fledged Dolby® Atmos module that is seamlessly integrated into the housing. The result: a pair of speakers that not only deliver excellent stereo sound, but also a room-filling home theater experience with realistic sound from above – without the need for additional ceiling speakers. Simply connect it, for example to the Canton Smart Amp 5.1, and enjoy an immersive surround sound experience that couldn't be easier.
