Frequently asked questions

Can't find the answer to your question in the manual? You may find the answer to your question in the FAQs about the Gemini LRX-448 below.

- Can bluetooth devices of different brands be connected to each other?**
 Yes, bluetooth is a universal method that allows different devices equipped with bluetooth to connect to each other.
[4768](#) 
- What is HDMI?**
 HDMI stands for High-Definition Multimedia Interface. An HDMI cable is used to transport audio and video signals between devices.
[4033](#) 
- What is bluetooth?**
 Bluetooth is a way of exchanging data wirelessly between electronic devices via radio waves. The distance between the two devices that exchange data can in most cases be no more than ten metres.
[3200](#) 
- When is my volume too loud?**
 A volume above 80 decibels can be harmful to hearing. When the volume exceeds 120 decibels, direct damage can even occur. The chance of hearing damage depends on the listening frequency and duration.
[1888](#) 
- How can I best clean my hi-fi system?**
 A slightly damp cleaning cloth or soft, dust-free cloth works best to remove fingerprints. Dust in hard-to-reach places is best removed with compressed air.
[1086](#) 
- Wat is Dolby Atmos?**
 Dolby Atmos is a technology that ensures that the sound is reflected from the ceiling to where you are listening. This makes it possible to create a 5.1 effect with only 1 speaker.
[935](#) 
- Is the manual of the Gemini LRX-448 available in English?**
 Yes, the manual of the Gemini LRX-448 is available in English .
